WE CAN  
HELP OUR  
NEIGHBORS!**

## Food Drive Summer 2018

Join us in our quest to fill the Fayetteville Little Free Pantries with food during July and August.

While many of us know where our next meal will come from, 17.2% of Washington County residents experience food insecurity. That's almost 1/5th!

You can help by putting nonperishable food items in this bag. We will see to it that the Little Free Pantries are stocked with your donations for the balance of the summer. Call us if you have any questions:
